Field of Membership:

We would like to announce that the Board of Directors has approved the Management Team to explore the opportunity of moving from a closed SEG field of membership to a community charter, while maintaining our education-based notoriety. This would allow those who live, work, worship or attend school in Lorain, Medina, Erie & Cuyahoga counties to become members of the credit union. We are still in the early stages of this process and we will continue to communicate our progress as the appropriate steps have been implemented.

Welcome Sandra to the Team!
