

The credit union where kids count!

For more than 50 years, School Employees Lorain County Credit Union has remained committed to establishing lifetime relationships with our members...from first steps to golden years. We're excited about helping our younger members learn to save and manage their money through the following options:

Captain Cash Club - Up to age 12

Share Savings Account may be opened with a minimum deposit of only \$5. Member receives a savings startup gift bag, a prize with each deposit he or she makes and an annual birthday greeting entitling the member to a prize from the Captain Cash treasure chest.

Make Money Matter (M3) - Ages 13-17

Share Savings Account may be opened with a minimum deposit of only \$5. Teens have the opportunity to earn rewards for saving money and signing up for M3 products and services. They also receive an annual birthday greeting with the opportunity to get cash or other cool stuff. SELCCU also hosts imakemoneymatter.org - a Web site just for teens with online games and information about managing money.

We've further enhanced this commitment to both our young members and to financial literacy through outreach in the schools:

- Free education presentations on a variety of topics to school children of all ages.
- Sponsoring the Newspapers in Education program, which provides free copies of *The Morning Journal* and lesson plans to area schools to assist with math, science, geography, reading and other subjects.
- Hosting Money Camp and Money Smarts in the summer for elementary- and high school-aged members.
- Obtaining approval from the State of Ohio to offer membership to students of any educational entity within Lorain County. After a student joins, immediate family members* are also eligible for credit union membership.
- Opening student branches at Westwood Middle School, Northwood Middle School and Elyria High School.

As the credit union that's been growing with you since 1958, we encourage you to learn more about our accounts for kids. Stop in, call or visit our Web site TODAY!

**Immediate family is defined as spouse, children, stepchildren, parents, stepparents, siblings, stepsisters, stepbrothers, grandparents, grandchildren, stepgrandchildren, and mother--in-law and father-in-law.*
