### Guest Speaker: Tom Batiuk

School Employees Lorain County Credit Union is pleased to welcome Tom Batiuk. He was born in Akron in 1947 and continues to reside in Ohio with his wife and son. He graduated from Kent State University in 1969 with a B.F.A. and a certificate in education. He taught art at Eastern Heights Middle School and, during that time period, began drawing a panel for *The Chronicle-Telegram* teen page.

Those strips led to the creation of *Funky Winkerbean* in 1972, followed by two others. In 1979, he launched into syndication *John Darling*, which followed the adventures of a fictional talk-show host. In 1987, he created *Crankshaft*, the irascible bus driver who is a cross-over from *Funky Winkerbean*.

Over the years, Batiuk has stretched the boundaries of comic strips by introducing timely topics into his storylines, such as teen pregnancy, racial discrimination, teen dating abuse, teen suicide, learning disabilities, alcoholism and guns in the classroom. He also included a storyline in which a character dealt with breast cancer. The story was a Pulitzer Finalist in 2008, and was collected into an award-winning book, *Lisa's Story*.

Batiuk's outstanding treatment of serious social issues has earned him numerous awards over the years. Today, *Funky Winkerbean* appears in more than 400 newspapers worldwide; *Crankshaft* is featured in nearly 300 newspapers.

## 54th Annual Meeting Minutes - 2012

The 54<sup>th</sup> Annual Meeting was held on the 12<sup>th</sup> day of April (Thursday), 2012 at The Spitzer Conference Center, Lorain County Community College. Doors opened at 5:30p.m.

Brent T. Binkley, President and Chief Executive Officer, welcomed the credit union members and their guests. He asked everyone to stand for the Pledge of Allegiance. Paulette Paine, Board Director, gave the invocation. Dinner was served at 6:00p.m.

Brent Binkley introduced our guest speaker, Rachael Wummer, from the Ohio Attorney General's office. Rachael gave a presentation regarding Identity Theft and Fraud.

Vice Chairman of the Board, Andrew Lingler, called the 54<sup>th</sup> annual business meeting to order at 7:20p.m. and referred to the 2012 Chairman's report in the program. Some of the highlights touched upon in the report were: SELCCU's assets grew from \$133 million in 2010, to over \$136 million at the end of 2011; SELCCU membership approved the change to American Share Insurance (ASI), which has allowed SELCCU to provide at least \$500,000 of savings protection for each qualified account; SELCCU also received approval from the State of Ohio to open our membership to students of any educational entity within Lorain County in 2011. Since then, SELCCU has partnered with the Elyria City School District to open student branches at Northwood Middle School, Westwood Middle School and Elyria High School.

Brent Binkley then gave the report of the state of the credit union and referred to the Comparative Financial Report and emphasized the importance of the credit union making loans.

Andrew Lingler convened those assembled to the business portion of the 54<sup>th</sup> annual meeting. As Vice Chairman of the board of directors, he determined a quorum was present. A roll call of the board of directors was conducted.

Marilyn Tipple, Secretary of the Board, referred to the minutes of the 53<sup>rd</sup> annual meeting. A motion was made by Beth Bartter and seconded by Sandy Lingler to approve the minutes as written. The motion carried.

## Chairman's Report

As of Dec. 31, 2012, [www.cudata.com](http://www.cudata.com) (which provides reports on the credit union industry's performance and trends) published a report indicating industry-wide growth in membership, net worth and loans, as well as a decrease in the number of delinquent loans.

This is good news! It demonstrates the strength, security and resilience of the credit union movement, even as we continue to move through difficult economic times. I'm pleased to report that at the end of 2011, we had more than \$136 million in assets; at the end of 2012, we had \$139 million in assets.

One of our biggest challenges remains loan growth. As a well-capitalized credit union, we have money to lend ... and not just for vehicle loans or mortgages. We offer personal loans to help you with medical bills, your dream vacation or school expenses, such as fees or field trips. I encourage you to make full use of one of the many benefits of your membership – generally lower interest rates.

Another challenge facing the credit union is membership growth. For the past few years, our membership numbers have remained relatively the same. In 2011, we expanded our field of membership to include students. We now have student branches up and running at Northwood Middle School, Westwood Middle School, Elyria High School and Lorain County JVS. To date, we have more than 200 new student members.

We're asking our members to share the credit union difference. Periodically, we'll be hosting member referral programs to help boost our membership. I urge everyone to let your family and co-workers know about the benefits you already enjoy as a SELCCU member – low/no fees on our products and services, competitive rates on savings products, lower interest rates on loans and credit cards, plus numerous member discount programs.

As we look to the future, SELCCU will be exploring the many uses of technology to provide added services and convenience to you. We've renewed our pledge to continue exceeding your expectations and we thank you, as always, for making SELCCU a success.

Respectfully,  
Edward Syrowski - Chairman, Board of Directors
